

general circulation in the affected areas. The purpose of the Notice of Filing was to inform interested parties of SBCS Inc.'s Application and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. SBCS Inc. complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No Petitions to Intervene was received concerning SBCS Inc.'s Application.

A hearing was commenced on January 6, 1998, at 11:00 a.m., in the Commission's Hearing Room. The Honorable Guy Butler, Chairman, presided. SBCS Inc. was represented by Robert D. Coble, Esquire. Florence P. Belser, Staff Counsel, represented the Commission Staff.

Thomas A. Weckel, Sr. Manager - Regulatory for Southwestern Bell Mobile Systems, Inc., appeared and offered testimony in support of SBCS Inc.'s Application. The record reveals that SBCS Inc. is a Delaware corporation and is a wholly-owned subsidiary of SBC Communications, Inc. ("SBC"), a holding company of one of the Bell operating companies. SBCS Inc. is authorized to transact business in South Carolina as a foreign corporation by the South Carolina Secretary of State. According to Mr. Weckel, SBCS Inc. proposes to offer long distance services using resold transmission services of underlying carriers which are duly certified by the Commission. Mr. Weckel explained the Company's request for authority to provide interexchange telecommunications services in South Carolina as a reseller. The record reveals the Company's services, operations and marketing procedures.

Mr. Weckel also explained that SBCS Inc. possesses the technical, financial and managerial abilities to provide its services in South Carolina. Finally, Mr. Weckel testified that the Company would operate in accordance with the Commission rules, regulations, guidelines, and Commission Orders.

After full consideration of the applicable law, the Company's Application, and the evidence presented at the hearing, the Commission hereby issues its findings of fact and conclusions of law:

FINDINGS OF FACT

1. SBCS Inc. is organized as a corporation under the laws of the State of Delaware and is authorized to do business as a foreign corporation in the State of South Carolina by the Secretary of State.

2. SBCS Inc. operates as a non-facilities based reseller of interexchange services and wishes to provide its services in South Carolina.

3. SBCS Inc. has the experience, capability, and financial resources to provide the services as described in its Application.

CONCLUSIONS OF LAW

1. Based on the above findings of fact, the Commission determines that a Certificate of Public Convenience and Necessity should be granted to SBCS Inc. to provide intrastate interLATA service and to originate and terminate toll traffic within the same LATA, as set forth herein, through the resale of intrastate Wide Area Telecommunications Services (WATS), Message

Telecommunications Service (MTS), Foreign Exchange Service, Private Line Service, or any other services authorized for resale by tariffs of carriers approved by the Commission.

2. The Commission adopts a rate design for SBCS Inc. for its resale of residential services which includes only maximum rate levels for each tariff charge. A rate structure incorporating maximum rate levels with the flexibility for adjustment below the maximum rate levels has been previously adopted by the Commission. In Re: Application of GTE Sprint Communications Corporation, etc., Order No. 84-622, issued in Docket No. 84-10-C (August 2, 1984).

3. SBCS Inc. shall not adjust its residential rates below the approved maximum level without notice to the Commission and to the public. With regard to adjustments to residential rates, SBCS Inc. shall file its proposed rate changes, publish its notice of such changes, and file affidavits of publication with the Commission two weeks prior to the effective date of the changes. However, the public notice requirement is waived, and therefore not required, for reductions below the maximum cap in instances which do not affect the general body of subscribers or do not constitute a general rate reduction. In Re: Application of GTE Sprint Communications, etc., Order No. 93-638, issued in Docket No. 84-10-C (July 16, 1993). Any proposed increase in the maximum rate level reflected in the tariff which would be applicable to the general body of the Company's subscribers shall constitute a general ratemaking proceeding and will be treated in accordance

with the notice and hearing provisions of S. C. Code Ann. §58-9-540 (Supp. 1995).

4. With respect to business service offerings, credit card services, operator services, and customer network offerings, tariff filings will be presumed valid upon filing. If the Commission institutes an investigation of a particular filing within seven (7) days, then the tariff filing will be suspended until further Order of the Commission. Any relaxation in the future reporting requirements that may be adopted for AT&T shall apply to SBCS Inc. also. Staff is instructed to monitor the Company using the same monitoring process and techniques as are used to monitor AT&T.

5. SBCS Inc. is subject to access charges pursuant to Commission Order No. 86-584, in which the Commission determined that for access purposes resellers should be treated similarly to facilities-based interexchange carriers.

6. With regard to the Company's resale of service, an end-user should be able to access another interexchange carrier or operator service provider if the end-user so desires.

7. SBCS Inc. shall resell the services of only those interexchange carriers or LECs authorized to do business in South Carolina by this Commission. If SBCS Inc. changes underlying carriers, it shall notify the Commission in writing.

8. With regard to the origination and termination of toll calls within the same LATA, SBCS Inc. shall comply with the terms of Order No. 93-462, Order Approving Stipulation and Agreement, in

Docket Nos. 92-182-C, 92-183-C, and 92-200-C (June 3, 1993).

9. SBCS Inc. shall file surveillance reports on a calendar or fiscal year basis with the Commission as required by Order No. 88-178 in Docket No. 87-483-C. The proper form for these reports is indicated on Attachment A.

10. The Company shall, in compliance with Commission regulations, designate and maintain an authorized utility representative who is prepared to discuss, on a regulatory level, customer relation (complaint) matters, engineering operations, tests and repairs. In addition, the Company shall provide to the Commission in writing the name of the authorized representative to be contacted in connection with general management duties as well as emergencies which occur during non-office hours. SBCS Inc. shall file the names, addresses and telephone numbers of these representatives with the Commission within thirty (30) days of receipt of this Order. Attachment B shall be used to file the name(s) of regulatory compliance personnel. Further, the Company shall promptly notify the Commission in writing if the representatives are replaced, and the Company is directed to comply with the Commission regulations unless waived by the Commission.

11. This Order shall remain in full force and effect until further Order of the Commission.
